

Program Implementation

The *SystemsGo* program may be successfully implemented by following this step-by-step process:

1. Become familiar with the program. Read the materials and speak with *SystemsGo* staff to ask any questions you may have (contact info below).
2. Complete the application for the level of training you are interested in and submit it via email (info@systemsgo.org) or fax (830-997-3577).
3. *SystemsGo* will obtain written confirmation from the principal of the school in which the *SystemsGo* Program will be implemented to ensure the appropriate resources, classroom, teacher, and budget will be provided to ensure program success for a minimum of two years.
4. *SystemsGo* will provide a Licensing Agreement to be completed/signed by the principal and the teacher to be trained delineating that the curriculum will be used in an appropriate manner within *SystemsGo* guidelines.
5. Upon receipt of an original copy of the Licensing Agreement, the teacher will be officially registered for *SystemsGo* training.
6. *SystemsGo* will provide the principal and teacher confirmation of the status and teacher resources for training. The *Program Description* brochure from *SystemsGo* will assist the school's counseling department in course sequencing.
